

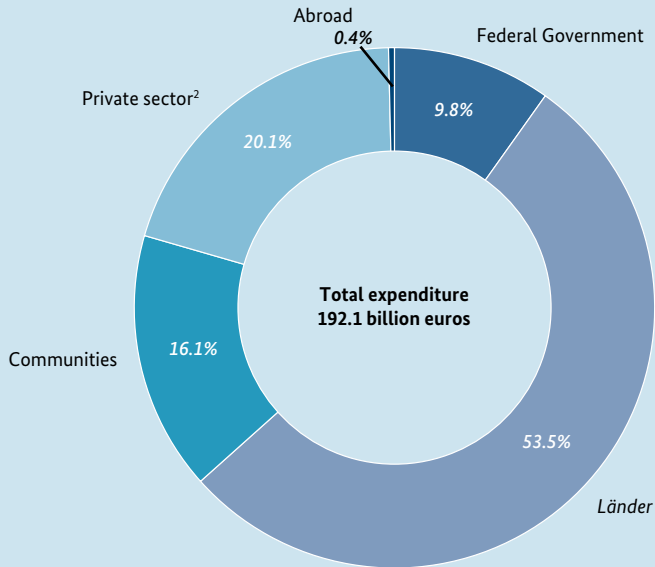

**Fig. 23 Budget for education for all education areas, by funding sectors, in share of total expenditure<sup>1</sup> (2014)**

**Note:** Possible rounding differences.

1) Financial statement (funder), in consideration of payment transactions between federal, *Länder* and local governments (initial funds), defined due to concept 2012. The concept of initial funds follows up the direct spendings on education of the federal, *Länder* and local governments, including transfers to other public budgets. The federal funding contribution (initial fund) thus comprises direct federal expenditure plus net transfers to the *Länder* and local government level.

2) Private households, businesses, private non-profit institutions.
