1 Due to the redesign of the statistic in 2007, no data available for 2007 and 2008. The comparability of the results before and after this change is limited.

2 As of 2009, differences in sums are possible due to the rounding procedure to ensure privacy in vocational education statistics. For further information see source.

3 Up to 2005, Meister in urban home management only. As of 2006, additionally including Meister in rural home management.
