Fig. 22  Budget for education for all education areas, by funding sectors, in share of total expenditure\(^1\) (2017)

Note: Possible rounding differences.
\(1)\) Financial statement (funder), in consideration of payment transactions between federal, Länder and local governments (initial funds), defined due to concept 2015. The concept of initial funds follows up the direct spendings on education of the federal, Länder and local governments, including transfers to other public budgets. The federal funding contribution (initial fund) thus comprises direct federal expenditure plus net transfers to the Länder and local government level.
\(2)\) Private households, businesses, private non-profit institutions.
